PROFILE

Operations professional moving into IT business analysis, with six years inside document- and process-heavy workflows at international companies. As Senior Case Manager I gathered requirements from users, wrote the process documentation my team worked from, handled day-to-day process and system requests from eight specialists, and verified their deliverables against acceptance criteria under hard deadlines. Now retraining full-time: PM courses, a month of programming at 42 Yerevan, and daily use of GenAI tools.

CORE SKILLS

Business analysis: Requirements gathering with users; process analysis and mapping; writing SOPs, user guides and checklists; defining and verifying acceptance criteria; investigating reported issues and coordinating resolution; spotting recurring problems and proposing improvements.

Tools: Jira; Confluence; Notion; Trello; Monday; Bitrix24; AmoCRM; Google Workspace; MS Office; Gantt charts; GenAI tools (ChatGPT, Claude) used daily for analysis and documentation.

Programming: C - 42 Yerevan 'Piscine' intensive, one month (Nov-Dec 2025), passed selection; able to read simple code.

EXPERIENCE

Senior Case Manager - M&M Document Preparation

Jun 2025 - Feb 2026

- Gathered requirements directly from users and clients in intake interviews and translated them into structured case plans and documentation - up to 12 complex matters running in parallel.
- Wrote the team's process documentation - workflows, templates, checklists and best-practice guides - which became the operating standard and reduced rework.
- First point of contact for day-to-day process and system requests from a team of 8 specialists; investigated reported problems and coordinated their resolution.
- Reviewed colleagues' deliverables against defined acceptance criteria before submission, catching errors ahead of immovable filing deadlines.
- Identified recurring failure points in the workflow and proposed improvements that the team adopted.

Event / Project Manager - Hosq Corp.

Jan 2025 - Jun 2025

- Coordinated several concurrent projects against fixed dates - vendors, schedules, logistics and on-site operations for audiences of 100 to 3,000 people.

Project Manager - Qanon Construction

Aug 2024 - Dec 2024

- Managed client communication, project timelines, follow-up tasks and internal hand-offs across daily operations.

Paralegal (autonomous caseload) - Bloomrich Law Firm

Nov 2023 - Aug 2024

- Ran an independent caseload with full ownership of prioritisation, documentation and client communication.

Senior Paralegal - Shamayev Business Law Corp.

Feb 2023 - Oct 2023

- Designed and delivered the internal 'Paralegal Academy' training programme, from curriculum to teaching; the materials I produced went on to serve 50+ specialists.
- Deputised for the team lead and carried the firm's key cases.

Judge's Associate - Arbitration Court of the Magadan Region

Nov 2021 - Dec 2022

- 200+ parallel cases and 30+ hearings per week under strict procedural deadlines, covering three roles normally held by three people. Detail-critical document and data work.

Assistant Lawyer / Administrator - Bar Association; LLC 'SIS'

2015 - 2021

- Contract analysis and claims; earlier, operations across 15+ construction and retail projects - teams of 2 to 20, procurement and tenders.

CAREER BREAK - PROFESSIONAL DEVELOPMENT (FEB 2026 - PRESENT)

- Project management programme - Yerevan American Corner (2026); PM Club, 52 academic hours (2023).
- 42 Yerevan - 'Piscine' intensive, Nov-Dec 2025: passed selection, one month of C programming, completed alongside a full-time job.
- HackNation - 2nd place in the local pitches; on-site final at TUMO Labs, Yerevan (July 2026).
- Startup Seaside Summit participant; developing a product concept around AI agents and RAG systems for B2B.

EDUCATION

- Bachelor of Law - North-Eastern State University, 2021
- Civil Law, Faculty of Law - St. Petersburg State University, 2016

ADDITIONAL

- Ethos Foundation - HQ coordinator (Sep 2023 - Oct 2024); humanitarian operations reaching ~100 families per day.
- Highload++ conference (700 attendees) - organising team; led a crew of 12; bonus awarded for results.
